The Premises:

In Stoke town centre, though discreet entrance at back. Clean, safe and friendly parlour. Nice comfortable double bed and shower in room. DVD playing which I totally ignored as was too busy looking at Sophia.

The Lady:

Seriously one of the most beautiful girls I've ever seen and a great personality too. Pretty face, lovely long black hair, all over body tan, amazing slim body, a few tattoos [interesting celtic symbol type ones and not tacky at all] pierced lip, nipple and clit. Such a sexy voice too. Love it when she talks dirty.

The Story:

I certainly ended up paying more than I'd planned but it was definitely worth it. Had to pay for kissing but a great snog and the pierced lip really adds to it. Then reverse oral, just had to have a go at her pierced clit! Then straight sex with me on top and her perfect stocking clad legs over my shoulder and to finish me off O without with cum in mouth though she doesn't swallow. A fantastic punt and I can't wait until next time.
