### The Premises:

The flat is in the Hub, which is just down the road from Milton Keynes shopping centre; MK Angels have just moved there. As ever the flat was bright, airy and spotless.

### The Lady:

About 5'7", wonderfully body which is kept in immaculate condition. Helen has changed her hair style since the photos, but they do capture how attractive she is well.

### The Story:

I have stuck to MK Angels simply because I'm very comfortable with the services, and have not yet sampled all of their delights!

There is a reason Helen has so many field reports, and that she is a true professional who I get the feeling enjoys her work. I asked for the Porn Star Experience, and WOW, did get it. Helen worked hard and treated me to a wonderful hour. We even had a really pleasant chat afterwards, which was a great way to relax. It was nice to meet someone who is both beautiful and articulate (both in body and mind!), and who not only put me at ease, but gave me what I wanted.

Helen, I hope to see you again soon!
