### The Premises:

Been here few times as girls are pretty and receptionist is very friendly. Rear entry via metal staircase. Was shown two girls Sophie and Rafaela. Chose Rafaela who seemed very friendly.

### The Lady:

Sorted out paper work and both stripped off clothes for some action. She was wearing black bikini set.

### The Story:

Started off with BBBJ which took me to edge, with soft warm mouth nibbling my nuts in between. She wanted a good orgasm orally or fucking and promised me good time in return, wanted my cum in her mouth. Got working on her already swollen clit, could actually feel sticky juices flowing from her pussy. Allowed me to put my finger in and both shared taste of it. Next came johnny, on first in doggy and next in cowgirl position. Told her I soon gonna come and she took condom off and emptied weeks load in her mouth, which she wanted to share with me but was reluctant to do so. In the end she half swallowed and half wiped with tissue. She laughed off saying she need a bath as she was all wet and sticky from her cum. Left with happy face
