### The Story:

I wanted a PSE and wow that's what I got pure hardcore filthy fun, from the minute she opened the door my cock couldn't wait to have her willing mouth around it, we lay on the bed and she started to undo my jeans while i pulled down her sexy underwear i couldn't wait to get my face straight into her wet pussy and god it tasted so sweet while i was in heaven, she expertly sucked my cock till I was on the brink of cumming then she slowed me down, on with the rubber and straight into her gorgeous pussy, I couldn't stop looking at it, she could tell I was about to cum and she offered her willing mouth for me to empty my balls in and that was a offer I could not refuse she sucked every last drop, I could just about walk out I was drained but smiling! cant wait to see her again top marks Emma!
