The Premises:

Ushered directly to room, smelt of stale smoke, but clean, no facilities offered to wash hands or anything else well known area of Bedford (near Angel) as was.

The Lady:

Demi very pretty, being 18 yrs old, Good body, came to room in jeans and top, would have liked to see a sexy little dress something a little more sexy.

The Story:

when Demi arrived she asked how long I would like, said 30 minutes took money and asked me to undress, when came back swigging a can of Stella she removed her top and jeans. when asked about services provided, replied no oral, no reverse oral, no kissing no girlfriend experience, everything covered, eventually she removed her bra and panties, no massage or any type of intimate contact, she started giving a very poor handjob. at this I refused to carry on and got dressed and left. when returned to car I checked her site and it states French Kissing, Sensual Massage, Receiving Oral, OWO, Uniforms. and penetration protected. Thoroughly disappointed
