The Premises:

Modern flat in gated development a few minutes from Kingston station, clean and tidy. Parking available (maid will have to open gate for you) or use surface car park by station a few minutes away. Safe residential area.

The Lady:

Chinese, about 5' 3", slim, probably mid/late twenties, long black hair with breast implants, probably 32D. Pleasant looking girl.

The Story:

Phoned the flat when outside the building and the maid guided me in.

Removed shoes in the hall and shown into the bedroom to meet Anna. Basic price is ?50.00 for half hour, ?90.00 for an hour. Paid an extra ?10.00 for OWO. CIM is ?20.00. Started with an oil massage, more a gentle rub really although she asked if I liked it hard which she did. Turned over for some mutual stroking then into the OWO. Was happy to carry on doing this in 69 for a while then time for the condom and did mish then doggy and back to mish for a few minutes in each position. Afterward she cleaned me up and a little more massage. I think the basic service for ?50.00 is good value.

This is a typical oriental flat where the girls change every week. Next week the maid says they are having a Japanese girl so I may go back.
