The Premises:

They had designated parking, but didnt feel parking there. Parked in a nearby parking lot and walked there.

The Lady:

As in the photos. Only difference was she had streaked her hair lightly. About 5'2", a handful of boobs, toned body, no flab, great legs, pert bum. Would give her a 9/10 if not a 10.

The Story:

After a shower, started off with a massage. A real massage that me feel so good, I might have used the whole session just for that. After that I started oral on her. Proud to say I made her cum. She gave me oral after that and then started mish. Proud to say I made her cum again. Unfortunately due to lack of time could not experiment with different positions. If you are nice to her she responds accordingly. All the while before and after coupling, she kept a nice stream of small talk and made me feel very comfortable.

She was a real gem, I have no complaints about the session. Lara is now my favorite and I'll definitely visit her next chance I get.
