The Story:

Got there a bit early but no problem, was guided to the room by the gorgeous maid and given a drink while i waited. The wait was well worth it, as soon as she walked in we had a kiss and grope. Quickly stripped down and laid down for a nice rub down, she asked me to lift up my bum and then reached down to my stiffening cock pulled it back so she start licking it, had to put the brakes on as i nearly shot my load. Turned over, regained my composure and put my cock back in her eager mouth. Leanne is a girl who enjoys giving head and i had to struggle to get it out of her mouth and get a rubber on so i could sample her juicy pussy. A few positions later and after some very vocal encouragement i pulled out and let her wank me off all over her lovely tits.

This girl knows how to make a man very happy!
