HoD South Kensington - immaculate as per many other reports

The Lady:

Young Petite Brazilian girl, with lovely long dark straight hair, enhanced boobs, and a gorgeous bubble butt. Flawless skin, very pretty, with a cute smile. Smelt absolutely fresh and clean all over. A few tattoos here and there and a very subtle naval piercing. Came into the room wearing wet dream black lingerie and red heels. If you like latina girls, you'll love Jade.

The Story:

Very nice indeed; began with some sensual kissing, then released her bra (ok, she helped me) so I could get my hands on her mammary glands. Her nipples hardened to my attention. Jade was soon on her knees in front of the mirror with my cock in her mouth (uncovered) which felt divine, and she proceeded to lick the shaft and suck my balls. I moved on to licking her shaved pussy before putting on a condom for sex. Jade made all the right appreciative comments without being OTT.

As we had plenty of time left (I did say she is very attractive!) she offered me a massage, which I accepted, and after that I just enjoyed holding her until it was time for me to go.

One last thing - when I tried booking first thing in the morning I was told she was fully booked, but encouraged to try back later, which came good, so worth bearing in mind not just for Jade but any other HoD girls.
