### The Premises:

Very nice hotel room close to a tube station. No issue to get there or access the room

### The Lady:

Fantastically good looking tall blond. Exactly the way she looks on Max's web site

### The Story:

I managed to escape from work to spend my lunch break with Julia. What a lunch break. Julia has a body to die for. She is tall, fit, with perfect ass and tits. Her laid back 'let's have fun' attitude instantly made me feel relaxed and I 110% enjoyed the hour with her. Even had lots of fun when the lights of the hotel went out in the middle of our date.
