Sadie is stunning; tall (5'7"), with black hair, flawless complexion, ready smile revealing beautifully white teeth, large blue eyes, extremely good looking, and a superb figure.

The Story:

Browsing the internet for escort services in Devon I happily alighted upon the glamourgirlsexcorts? site, just as one might an oasis in a desert, and during my contacts with them, a mixture of phone calls and emails, I found the agency staff always friendly, helpful and efficient. From the excellent quality of escorts available Sadie ticked all the boxes, my only concern being our age gap, which is somewhat more than I have experienced in the past.

However, when Sadie arrived at my rural home I was immediately struck by not only her quite superb appearance but also her friendly and mature manner which quickly dispelled any concerns. In the initial conversations she also proved to be intelligent and articulate and with finances settled we chatted briefly about services, in the course of which I was asked what services I was hoping for. My reply was something along the lines of, "I'm hoping to kiss, cuddle and make love to a beautiful young lady." At which point she smiled, acknowledged my compliment and replied, "That's just fine with me." And so it was!

Searching embraces and passionate kisses accompanied gradual disrobing, before RO, OW, mish and cowgirl combined to have me happily sated with time to spare. Sadie is simply gorgeous, has a body to die for and is genuinely enthusiastic in what she does, which explains why the meeting was the most memorable, girlfriend-like experience I have known during my decade of punting, and it far exceeded my most hopeful expectations.

On the glamourgirlsexcorts website her profile likens her to an English rose and suggests she is not to be missed - that description of her is wholly accurate and the accompanying advice similarly apt!

Would I see her again? I've already arranged to do so!
