### The Story:

Have seen Nu Nu before though omitted to submit a report at the time. She is very cute. It was an unseasonably hot day so despite having had a bath before leaving home she suggested I have a shower with her. Fine. Nice assisted shower followed. Dried off and then lay on bed whilst she administered an expert (I assume) massage. Turned over and kissed and cuddled and then I gave her a light massage before going down on her for 15-20 minutes - interspersed with some rimming - before she came. Then her turn again. She licked my nipples and sucked my balls. Asked if I wanted OW or OWO. Chose the latter :) for an extra ?20. Very nice and then wanked me to an amazingly good orgasm. Then finished with more massage. I love Chinese girls!
