### The Lady:

The photos on her profile give a good impression. Slim, blonde, probably 36C. Celina is from Romania and speaks very little English (she has been here only a week, she said) but fortunately we both speak good French (she has been working in Belgium for 5 years) and that enabled satisfactory communication.

### The Story:

Her profile said ?100 for an hour and this is what I booked but when I arrived I was told that the profile was wrong and that it was ?120, which I reluctantly paid as she was a very good looking lass and I would still have booked if she had said ?120. She returned to the room after only a brief interval dressed only in a towel which she soon discarded and after a kiss and a cuddle we headed for the bed. Her profile says that she does OWO but this turned out to be another mistake, though her oral with was good. Reverse oral was included and she seemed to enjoy that but was soon onto the main event. Sex in cowgirl, reverse cowgirl and doggie followed and, to my surprise included A at her instigation, which I haven't done for a long time. It was all over in about half an hour and she excused herself and went downstairs, where I could hear her on the phone. She obviously regarded the session as over, so I got dressed and left. In many ways it was a good session and I seldom last an hour and am willing to pay ?100 for a good, unhurried half hour +, so if it hadn't been for the difference between her advertised fees and services and what she actually offers, I would have been content. I don't know who wrote her profile but from what she told me, it clearly wasn't her. I recommend her on the assumption that you have your eyes open to the actual facts and are not expecting what she offers on her profile.
