Details of Service Provider:

The Premises:

Soho walk-up, not the nicest of streets but it was clean inside.

The Lady:

Slim, petite young girl with dark hair, much written about so I'll leave it at that.

The Story:

Friendly girl who gives a good service with a smile. Good covered oral and sex.

probably about the best in Soho at the moment, and I've tried a few, but for me, Angie just falls short of the (much missed) Paris class though. Nevertheless, good value for money at this end of the market.
