### The Premises:

The building has a cottage feel to it, well set back off the road. A driveway takes you to the rear of the house where there's space for about 4 cars to park. The maid was very good and had the back door open for me before I was even out of my car.

Most important for me is that the cottage feels clean and tidy and light, not at all sleazy, with a couple of waiting rooms, so that I did not have to bump into other punters.

### The Lady:

I know that we're all different and so like different things. For me Christal as close to perfect. My overall impression was that she is blonde with fair skin. I'm not a great judge of dress sizes but my guess would be 8 to 10, with nicely enhanced boobs. Some girls can have all the right numbers but sometimes they are missing the all important X Factor. But for me Christal has it, there is something very sexy about her and she has such a bubbly personality I could just sit and chat. However, all thoughts of chatting go out of the window when you see that gorgeous face and body laying on the bed beside you :-)

### The Story:

We started, as with most girls with her massaging me. I then tried my hand at massaging her. I'd paid extra for reverse oral so gently eased my face to her most intimate area. After this things proceeded to a very satisfying conclusion. I don't feel that there's much point in going into detail, for this reason. Christal is clearly skilled at her job, she can tell what you need and how you want to receive it. So she may act in one way for me and differently for another client.

There was no script, no sex by numbers, no "fuck me big boy" insincerity. Christal would be my ideal booty call and she's that gorgeous and fun that you'd happily take her to meet you mum. If she was your girl, your mates would never speak to you again out of sheer jealousy . I can't wait to go back to see her again.
