### The Premises:

Leilani's flat is in discreet loction just off the M1 J25 A52, not far from the motorway island. The flat was very clean, tidy, and smelt all lovley with candles burning. It has 3 large bedrooms including a fully equipped domination room.

### The Lady:

she's very attractive sexy lady mid 20's tall slim properly dress size 8/10 long reddish brown waist length hair, with a northern accent. Natural breasts properly 36DD. She looks after her body as her pics on her web site are all genuine and difinitley her. Leilani's 100% british but has some italian in her .

### The Story:

I arranged to see Leilani for Tie and Tease fantasy roleplay, after reading her profile from her web site. It was difficult for me to book Leilani as she's been away on holiday couple off times since the summer. Finally got to see her and she was well worth the wait. leilani was dressed in lacy red underwear with stockings and thigh boots. she took me into her domination dungeon it was all lit with candles she started with mild spanking, then put nipple clamps on me and candle wax, which was very erotic and it turned me on. She put some sexy music on and gave me a dirty dance whilst i watched, then i bent her over the bench and licked her pussy out till she came, she sucked my cock with a condom on and within mins i no longer could hold it in and i came. It was a lovely experience for me as this was my first time with a lady. I took a shower then we chatted for a bit and i booked in to see leilani again couple weeks time.
