The Premises:

my hotel, not quite city centre, but an ok 4star hotel near public transport.

The Lady:

Classy, Elegant. And Hot underneath.

Inna is a lovely blonde with a gentle, friendly face and a very nice figure. She came in a discreet coat, but underneath the coat she wore a very elegant and somewhat expensive dress. Very nice though.

And no problem if you want to take her out to dinner. Inna has the confidence that comes with some life-experience, and she can fit in anywhere. She will be at ease in any place you would take a classy girlfriend. And some.

When she speaks, Inna has a charming (sexy!) skandinavian accent and is very easy to get along with. Inna is the Perfect GFE.

The Story:

We got some drinks to break the ice, and we were both quickly at ease.

Having this lovely, elegant lady sitting in front of you is a real turn on, and she probably knows that.

After a good chat, we started kissing, and the whole date just became Heaven. The soft, intense kisses were lovely, and the cuddling was a perfect foreplay.

Inna is well versed in the other bedroom tricks as well. Dont worry: She knows what she wants and how to enjoy herself on a bed. We got along like a house on fire, and she slowly, expertly, lead both of us to a great climax.

And all through the session, I just wanted to kiss her. Again and again. She is not a clockwatcher either, and when she finally left, when I basked in the afterglow of a very hot meeting, I noticed we never had finished the drinks...

For a GFE, Inna is about as good as it gets: Friendly, Intelligent, cuddly, responsive and HOT. And a very talented kisser with those lovely lips of her. I look forward to returning into her arms as soon as I can.
