The Premises:

Nice clean place near Bow Road tube (just 2 minutes walk). Early afternoon visit, perfectly safe.

The Lady:

Small, lovely young lady. Cheeky face, lovely lips, great behind, fabulous breasts. Small of stature (5 foot nothing), so great, if like me, you like the petite lady

The Story:

Very polite, really seems to enjoy the experience. Asked me to wait (she met me at the door) and then returned wearing a towel and nothing else. Very wet almost from the go. She DOES FK (it was a little while before she allowed my tongue into her mouth, however- but once there, she loved it). Only one thing she didn't want to do - taste her own juices (although she let me run my fingers over her lips after they'd been inside her and then lick the juice off).
