The Premises:

Immaculate, well furnished basement apartment in townhouse with entryphone system, in quiet and discreet upmarket area.

The Lady:

Well fit! Petite, slim, busty, blonde, stunningly pretty, firm, toned....., where do i stop! Listed as 30's, suspect maybe a bit older, didnt ask and couldn't have cared because when you look as hot and are as sexy as that age is irrelevant. 99.999% of 18 year olds would be jealous of her looks/body. I am in my mid thirties and love busty slightly older 'milf' style escorts and Anika I have to say up there, if not the sexiest in London (have seen most).

The Story:

Got the week off work and felt like treating myself, annoyingly I was a bit unshaven and scruffy but she didnt mind. Never used UK Sugar Babes before, but seen lots of escorts on the site through other agencies/independently but rarely driven to report (forgotten prevous punterlink login), this however was exceptional. Caroline on phone at agency very helpful, organisation/friendliness perfect. Anika answered door in tight leggings and tight sequened top, her perfect firm boobs and slim petite figure immediately obvious. I knew instantly I had made the perfect choice. Had as fast a shower as I could as was itching to get my hands on her. Lots of kissing as we undressed each other, oral (she is shaven and has the sexiest pussy out), hot hot sex in all positions....., incredible! Afterwards we chatted, she is good fun, very friendly and I learnt that 'open minded' does not mean 'all services' ie A-levels which i sometimes like (was confused) but instead means open to couples, shows, striptease etc (now I know). Would seriously recommend Anika, whilst writing this am contemplating booking again this afternoon! Treat her with respect, she is a strong willed woman and not one to cross I suspect, which only made her all the sexier. Ouch! I officially now have a new favorite escort. Could become expensive!
