The Lady:

Stunning! Not quite the same as her pic on the site, but that looks more like crimes of Photoshop than an actual fake. She's still stunning though - Arrived in the cutest little skirt that was just discreet enough so it wouldn't be TOO blatant to anyone around why she was at my door!! Underneath that was lovely black lacy underwear, with stockings & suspenders and they fit her perfectly! And what a perfect bottom!!!

But the site says 19, she was wearing a 21 necklace, which she says was from this year and you could easily believe her, based on her face. And finally for website half-truths, she's only 1/2 French and it's not the country she's actually from - nor is her accent, she's Eastern European, but I can't remember where she said specifically. So if you're expecting a sexy French purr, you won't be happy.

Her hair is just like the photo - soft, long, straight and blonde and feels very very nice gliding up and down your gentleman's area!

The Story:

Absolutely loved it! Despite the bending of the truth on the site, she was absolutely lovely, a really sweet girl who looks just fantastic - even the tattoos (which are few - 2 I think?) look sexy on her.

Started off with some kissing - a real GFE - and was happy and smiling the whole time (except when she was - at least appearing to - cum!) we had some nice oral (covered, but will OWO for extra, negotiable, but I never got to a specific price) before a little lubed handjob. Then I watched her play with herself with the lube (a clever technique!) and agreed to let me join in. I didn't go down on her, but I bet she'd be ok with it.

Eventually she pushed me back and mounted me, cowgirl, pounding hard and really moaning - even used the wall for support!! If it was fake, she's a good actress!! A bit of reverse cowgirl so I

could watch my cock penetrate her - AMAZING!!

Finally I flipped her over after her teasing men are always lazy in bed, put her knees to her shoulder and pounded hard to a noisy finish!

We still had time, so she hung around and we had a bit more lazy fun until time was up too.

So, the site might be a bit of a half-truth, but I still loved every moment and would totally recommend :)
