Usual high standards.

The Lady:

Short in stature, cute, blonde haired, cute, natureal d cups, size 6 with a killer body and did I mention how cute she is.

The Story:

No messing with this girl. Started with a couple of kisses but she then ordered me to get my kit off which I duly obliged. Onto the bed for very good OWO which include lots of ball licking which was nice. Asked for a 69 which she seemed to enjoy. Slipped into a little bit of rimming on her which she responded that I was a naughty boy! This just egged me on further. More DFK before condom was applied. This lead to cowgirl and doggy style which finished me off. I was hoping for a CIM finish but didn't last long enough as the doggy was too good. A bit of chat about travel and her favourite TT car which I have owned before. All in all what would have been a 7 out of 10 punt was easily a 9 due to her happy willing attitude. Could I have found a replacement for my favourite Serena???? Maybe! Thanx babe.
