The Lady:

Lauren is a full bodied woman; about 5ft 6 without heels, nice size boobs which are natural nothing fake about this lady. Very pretty face with a lovely smile she is very welcoming and would be great with a first timer, putting them at ease. She is always in very sexy lingerie, around mid to late forties which suits my tastes just fine. Lauren is a cut above the rest as she is happy to partake in any fantasy or pamper to any of your exotic tastes. Mine is always water sports which Lauren is expert at, she is able to produce a huge amount of pee and can stop/ start as required; this is an extra but worth every penny.

The Story:

Lauren was very welcoming as usual in very sexy purple Bask, Knickers and suspender belt with high heels. We dealt with the business end very quickly and it was off to the bedroom. No peeing over the bath with Lauren she is happy to cover the floor so I could lay in comfort. We started with a kiss and cuddle before I lay on the floor and had a huge amount of pee poured into my mouth and over my face. I was then able to lick Lauren out she has a great tasting pussy which she loves to have licked then a bit more play ending with Lauren on top where she emptied my balls.
As normal a great time had by all looking forward to my next visit already
