The Story:

I was in sheffield and having rung up and found that alexi was on just had to visit her after hearing about her from others who had been to see her.

Must say when i first saw her she was coming down from seeing a previous client and was totally naked. She said not to mind her, which i didnt, and as i was next did i want her to get dressed or stay as she was. I said stay as you are as i had developed the biggest hardon id had for a long time.

We went upstairs to the room and i asked her to undress me. What a great sight as this hot young blonde girl gave me a long deep french kiss then took off my tshirt then kissed me again. She knelt down and slowly opened my jeans and pulled out my cock from my boxers. She licked all over my cock then my balls and licked ever so close to my arse. Nice touch. Then i watched as her tiny mouth slowly sucked deep on my cock. For someone so young she has a great technique. I pulled off my clothes and told her to lay back on the bed and open her legs. She did this and opened them really wide. I then lay between her legs and thighs and ate her tiny pussy for ages. Such a taste of honey.

I then lay on the bed and she sat on my face so i could lick and probe some more. She learnt over and sucked on my cock so we were in 69 until i could take no more. I had to get inside her pussy.

She jumped on my cock and i slid straight inside her up to my balls. She is very very tight. We fucked in cowgirl for a while and then moved to doggy. As we fucked harder and i was watching her

tiny asshole i asked if she did anal. She replied that she did. With no delay she used a bit of lube on her arse and a bit on my cock and i slowly eased myself into her arse. This was amazing. I took it slow at first but as she moaned louder i built up some speed until i was really pounding her. She reached down to her pussy to finger herself and this took me to the edge and i shot into her arse.

I paid her the money and gave her a tip for such a great service. I told her id be back again. We had a nice chat while we got dressed and i left with another deep french kiss.

She is a great bubbly chatty young girl so treat her good guys and you will have such a great time.
