The Premises:

Council house on a nice estate. House looked run down from the outside and was on the inside. Parking is safe and I didn't notice any twitching curtains

The Lady:

Tall lady with black hair who has a profile with good feedback on another well known site. She has a nice figure and average features.

The Story:

This lady had an offer on of ?75 for the hour and I was out of there within 35 minutes. O K I am the first to admit I am no oil painting but this was chilly. No real conversation, seemed like a massive effort on her part, quick handjob as she lay on the bed looking the other way, very short covered blow job and finished with HJ. The only relief was to get out of there as fast as I could.
