The Story:

Ruby is a friendly laid back lady who knows how to please and be pleased. She had my cock in her mouth for a BBBJ within moments of my entering the room and then took me to bed for half an hour of sheer lust. She kisses passionately and appreciates a tongue and fingers in her pussy, telling you what turns her on. After coming noisily she fucked enthusiastically in mish,cowgirl and reverse cowgirl. Her technique on top is delightful. as she thrusts powerfully and milks your cock with her pussy muscles. I can see many more delightful encounters in future as this is a lady not to be missed!
