### The Premises:

The Studio seems to be a very good establishment they have plenty of nice girls.

### The Lady:

I've been sent to Birmingham for a week, had a Sunday completely free and I was bored, I perused the internet looking for a place where to have some fun, I've picked the Studio because of their reputation and, when I arrived there, I was sure to have made the right choice. I wanted Chloe because of her looks, however, as I discovered later, she is not just smoking hot but also very intelligent and willing to please. I've enjoyed immensely my time with her, I shall recommend her to anyone in the Birmingham area.

### The Story:

Chloe has a stunning body with a great pair of natural tits that I've really enjoyed, her nipples, big and responsive to the touch, were a real delight to suck and to lick. She gave me a good massage to start with and I fingered her clit at the same time, We were both aroused, I had a rock hard dick when she took it in her mouth sucking it and licking it, I had to stop her before to cum too soon, she seemed a bit disappointed, how nice of her. I wore a condom and started to shag her in mish her pussy felt incredibly good, I wanted to see her cum, I shagged her very well, those fantastic tits bouncing while her nipples were rock hard. I felt my orgasm approaching, she went on her knees and took my dick back in her mouth, I was about to explode and she knew it, gave me a great orgasm allowing me to cum all over her tits. What an amazing woman, I've discovered her by mistake and now, I need to find a reason to go back in Birmingham just to see her again.
