The Premises:

As reported before you enter this place via a lift and enter the first floor which is always nice and clean and quiet just a water feature in front off you as you leave the lift..

The Lady:

LILY was wearing a blue camisole type outfit and entered the room with a sexy smile and gave me a very nice little kiss and a cheeky smile..

So i couldn't refuse to see this lady..

The Story:

When i arrived i was shown all the ladys and as i said in the last part this lady just did something to me when she arrived into the room.

I told the recp that i would like to see LILY.

When the lovely lily came into the room and gave me a super sexy kiss which made me stand up and say hello straight away we continued to french kiss whilst standing and then she got hold off me and asked if i wanted with or without so i went for the without and well the rest i will leave for your mind..

I would highly recommend the Lovely Lily another top lady for this premises..
