The Premises:

In the hub, tucked away, bit tricky to find but the maid talked me in so found it ok. Clean tidy flat on first floor. Felt safe.

The Lady:

As described on website. Looked younger than in photos.

The Story:

Started off with some light kissing then DFK whilst fingering her and sucking on her tits. She then went south and gave me the most amazing OWO I think I have ever had, DT to perfection. Lots of shaft licking and a bit of ball sucking, with her fingers tantalisingly close to the back door. Lots more sucking and DT before the CIM finish and she took the lot!

We then talked for 5 minutes or so before on to round 2 where she managed to bring the old fella to life with some more of that superb OWO, finished with me standing and her kneeling with me fucking her face, with encouragement from her for me to push her head onto my cock - wow what a girl!!! Finished with another CIM and she squeezed every last drop out. Awesome!! Will definitely be going back for more...
