The Premises:

Discrete enough considering that is a Soho walk-up, inside is your average place in Soho. Not too bad really.

The Lady:

Long dark hair, nice body even if a bit on the heavy side, Vanessa seems to be from Turkey. She was friendly and eager to please.

The Story:

There is not much to report on a 15 minutes punt however, I can say that she was nice enough with me, provided a good covered blow-job and nice sex. I've left her place relaxed and somehow recharged. Overall, a good one.
