The Premises:

A council type house on outskirts of Blackpool. Felt safe in the daytime. Was clean enough.

The Lady:

She is about 35 not 22 as advertised on a well known website, she looked nothing like the pic,s in the add.

The Story:

She met me at the door and now said her name was Crissy not Aimee, took me into the front room and took the money off me, £40 as agreed on the phone. I was asked to strip off and sit on the sofa, then all she offered me was a hand job with her top off. She said that was all I get for £40. £40 is what was agreed on the phone for a full service. Should have known better this is the kind of scam you find in Blackpool. I went away after 10min,s and said nothing to avoid trouble.
