The Story:

She met me at the door and now said her name was Crissy not Amee, took me into the front room and took the money off me, ?40 as agreed on the phone.I was asked to strip off and sit on the sofa, then all she offered me was a hand job with her top off. She said that was all I get for ?40. ?40 is what was agreed on the phone for a full service. Should have known better this is the kind of scam you find in Blackpool. I went away after 10min,s and said nothing to avoid trouble.
