The Premises:

Well reported on Punternet. Easy access and parking across the road (watch out though ?4 for the ticket!), door at back. Felt safe.

Greeted by the owner (she's a stunner too!) who asked me to take a seat whilst she showed me the two ladies available. First was the gorgeous and very petite Alicia followed by Ashley. Chose Alicia and made a mental note to come back some time to see Ashley - also very pretty but I was in a petite mood today.

The Lady:

Alicia is very pretty and has the cutest little bubble-butt. Lovely dark smooth skin wearing the shortest of dresses as she walked up the stairs in front of me. The pictures on the website do not do her justice that's for sure!

The Story:

Opted to have a quick shower then Alicia came in me feel really comfortable. Went through the options and opted for a bit of reverse O to which she replied "I hope you're good". Tried my best guys, lovely sweet taste and a delightful clit that other posters have already commentated on. Think I carried it off then asked for some OWO which she agreed to on condition I didn't CIM which was again fine with me, great technique, almost made me break my promise but was a gent and told her when to finish me off which she duly did. Great punt, hope to see you again some time Alicia
