Carley is an attractive mature lady with a curvy figure and full, natural boobs. Always well presented in nice lingerie.

The Story:

I have been seeing Carley for years now, and am surprised she doesn't have more reports.

She is a lovely lady who provides a top quality GFE but can also be quite kinky as well.

Our sessions always start with lots of french kissing, and move onto lots of mutual touching, oral and rimming. She caters for my particular fetish which is receiving anal play, which she expertly administers with her selection of toys, strap-on and gloved fingers.

I have always have a great time with her, and there is never any rush or clock-watching.
