### The Premises:

Her flat was small, but clean and actually very tasteful. I felt very safe and comfortable. Access was easy and straightforwards.

### The Lady:

Beautiful - typically asian / Thai, and very pretty. Lovely figure, great breasts, nice bum. All in all, a very attractive package

### The Story:

Great... She treated me extremely well, and I had a very enjoyable time. Great sex with a beautiful willing girl... what more can you want?

I would, in the normal course of events, definitely return... as it was, I'm afraid I caused a little confusion as I left... merely because of my stupidity, and annoyed April with my clumsiness... so I won't, I think return as I would be embarrassed.

I can't praise her highly enough, though.
