The Premises:

Clean, spacious modern apartment located in The Hub. Parking spaces available nearby.

The Lady:

Sultry, leggy redhead in her mid 20s. About 5'8" tall with a lovely bubble butt.

The Story:

This was the first time that I'd seen Helen as an indie (as opposed to the parlour she also works at) so I thought it was a good enough reason for a follow up report on this highly talented escort.

After a quick chat with Helen on the phone we arranged to meet a couple of hours later and it was easy enough to find the apartment thanks to her precise directions.

She welcomed me with lots of passionate DFK as we embraced and then removed my boxers so that she could treat me to OWO as she showed off her legendary talent for deep-throat.

We moved to the bed where I returned the favour with RO which she responded to enthusiastically. There followed a bout of uninhibited, libidinous sex which finished off with Helen taking my cum in her mouth.

As I recovered my senses Helen handed me a cup of tea and we chatted away about our mutual love of cars before some more snogging as the hour drew to a close.

A great GFE with a wonderful lady who continues to be one of the best escorts in the business.
