The Premises:

Satellite flat to main MKE site, still close to Staples, safe, easy parking, well furnished, generally clean.

The Lady:

Slim but not skinny, quite tall (so not technically a spinner unless I stood on something!), small but very nice pert breasts, shaven below.

The Story:

Katie had been on my radar for a while and I thought I might have missed my opportunity so was pleased to get a half hour booking at short notice. We started by my giving her a massage, about which she was complimentary - for me it is a good ice breaker and shows me to be gentle whilst tactile. Then asked her to turn over and enjoyed those breasts before a bout of RO. Told "I don't need lubricant after that", so on with the condom for very pleasant mish.

Katie is a very pleasant and friendly girl and I am surprised she does not have more FRs. I believe she now has to fit her availability around her civvy job but would recommend her if you get a chance to see her. Personally, I found a 30 minute booking to be a little short and hurried for my taste so would book for longer next time.
