The Premises:

First time at Victoria house easy to find and easy parking and nice friendly receptionist made to feel welcome and offered refreshments in the lounge where you meet other punters (a lot better than being hidden in bedrooms in case you meet others). Paid ?12 for the room, rooms with mirrors everywhere even the ceilings and round beds, everywhere was clean and comfortable

The Lady:

Mia is just as her photos except she now has slightly shorter dark hair, had looked at her on the website for a long time but days I can take a trip out and her only working on Fridays ment I've had to wait till now.

The Story:

Mia called me from the lounge and showed me into one of the rooms, after undressing started with a light massage with light touches of the balls from behind to get me going, after turning over and some hand work a session of OW and then Mia riding, at Mia's lead we tried other positions some on the massage table but even with the Cinderella shoes one did not work well (height difference) eventually returned to the bed and doggy to finish. Did not feel rushed and Mia did not want the payment till the end she asked for only ?50 but gave an extra ?10 for a good time
Thanks again Mia
