The Story:

Made my mind up to visit Jenni following an earlier report in May by another punter.She apparently came to the flat purposely for this hour as booked in advance.she was more or less motionless during the visit.she insisted that i put on condom for oral when advertised oral without also no french kissing.no response from her when giving her oral.i would advise future punters to be extremely careful on choosing this escort as you may end up being a loser just like me.Save your money and go elsewhere.Ended up leaving after 45 mins.
