The Lady:

i had seen rene about 1 year ago , and i must say was very enjoyable to see her again. very fit and sexy slim fit body, busty and hot

The Story:

This was one of those visits that you wish it never ends. i was so ready for rene. she rememberd me so it started very nicely with hugs kisses and romance.

Rene even with her high class looks, is no stranger to runchiness . She is so slim and easily moves her self around you. and she defenitely loves sex like hell.

Multiple positions in her small flat, i almost broke her. must say, i loved her in doggie position. she moaned which i loved and i sprayed all my water all over her pretty face. i was so worn out , that i couldnt go another round. fantastic punt.
