The Story:

I had visited Alice once before and we hadn't really "clicked", but I found that I could not stop thinking about her. She has a lovely body with silky-smooth skin and a bottom that frequently haunts my dreams.

I thought I should have another try with her and, whilst I am glad I did, there is a lingering sense of frustration.

She is very obliging, kisses beautifully and gives mind-boggling oral (and has a delicious pussy). However she is on the quiet side, is quite passive and submissive. And that, for me, is the problem, for I am also all of those things. I like being told what to do and being bossed about a bit. I like the lady to take charge.

There is no point in wishing someone was different, and I have to admit that it's unlikely I'll ever really hit it off with Alice. For you dominant guys out there though, Alice will be perfect for you.

Lucky bastards.

Thank-you Alice. You are sweet and delicious. If only, if only.....
