The Story:

When I arrived and buzzed on Georgina's flat but she asked me to wait 5 minutes, which meant I had to hang about outside. Seeing that she lives above a pub I didn't look too 'out of place'.

Once inside, my first impressions were that she looked nice but something wasn't quite as expected. Without any kind of introduction, she ushered me straight into the bedroom to get the money matters sorted and didn't even offer me a drink.

After a quick shower I asked her if she had any stockings, but she told me she didn't, which I found a bit strange. We got down to business, OWO was first, she told me no CIM but on body instead and after 10 minutes or so I duly obliged.

Next, another quick shower then back to the bedroom for a light massage during which we chatted for a bit. Soon I turned over and it was more OWO, it looked like she tried to make me cum on her body again, but I was having none of that and asked her to fuck me, to which she replied 'Of course'. On with the condom and first she went on top for a few minutes, then we switched to mish. As we moved, I noticed a smell coming from her pussy which put me off a bit, but I put it to the back of my mind and carried on. Then we moved into doggy with her on her side / front. At some point about now, she said time was up and looked at the clock on her phone. I was surprised time had passed, but then she said we had 7 minutes left, probably due to my slightly late arrival. So to finish I had her lay on her back while holding her legs up from the back of her knees. This usually does it for me, but I was no where near finishing and was quite knackered by now, so she oiled me up and finished me off by hand all over her tits again.

I had another shower, got dressed and left.

In summary and although she provided a decent service, some other elements were not quite right. The lack of introduction at the start, no ice breaker, the fact that she seemed a bit mechanical at times and the clock watching all made this punt a bit disappointing for me, perhaps we just didn't click. However, I can see why Georgina has glowing reports, which was my main reason for booking her, but I will have to say that for me I will not return.
