The Premises:

Brooklyn's is well reported, easy accessed parlour which is on the mainstreet. The front entrance is not too difficult to access, felt safe enough. The area is pretty busy with vehicles going past, but i went straight up the stairs and was let in. Inside was clean and tidy and the madame was friendly and helpful and felt at ease in her company. I am not sure of the exact date, but was in the last couple of weeks or so.

The Lady:

Sienna i have met before, and her photos do not show how nice she is in person. In fact she gets more gorgeous as the punt goes on. Sienna had long blonde hair, nice tan and medium figure, with medium sized enhanced boobs that look natural. I know that might sound ironic to some. She is not too slim and has all the right curves going on. Pretty face and is welcoming.

The Story:

Sienna came in the room and we lay on the bed together, chatted a bit and discussed what the deal was. I actually didn't notice what she was wearing as i was looking at other things, we kissed gently for a while and did the owo xtra tenner.

Sienna gives a wide ranging service, and will bear that in mind for next time. We had a good go at the usual stuff that you would think of doing, all of it was fantastic. Sienna is a sensual young lady and seems naturally warm and gives you a nice settled feeling, i felt good being in her company. All in all a GFE not to be passed up!!!

Sienna is very popular and i will be back soon to give her another visit.
