The Premises:

I had trouble finding her place at first, but once I did I was very surprised at how classy the area was. She has a very nice, peaceful, almost zen like flat near the Paddington Station.

The Lady:

She didn't resemble the pictures but she was very attractive. She resembled a Romanian gypsy, with olive skin and big brown eyes. She had very puffy nipples which isn't really my thing but she was good looking nonetheless.

The Story:

She greeted me at her flat wearing a bath robe and offered me a glass of white wine. We talked for a few moments before catching a shower and a brief shoulder massage. She seemed reluctant to kiss me but as soon as the initial ice breaker it was all fine and we went at it until we both climaxed. Afterward we laid together talking about random things while finishing the bottle of wine.
