Ground floor flat near John Lewis. Once inside very clean and well decorated. Felt safe and private.

The Lady:

Absolutely gorgeous! Tall latin looking lady. with long legs, round bum and lovely firm breasts. All in all absolutely perfect!!!

The Story:

I decided to book Holly because of her good reports and amazing pics on the website. In my experience girls often don't quite live up to the professionally taken and airbrushed photos - but Holly certainly did.

Straight away I knew I had made a good choice as not only was she ridiculously hot but she immediately showed a mischievous and very friendly side to her personality. No matter how beautiful a lady is a truly great punt can only be had with a girl with an equally great personality - Holly delivers on both fronts.

We started with a sensual standing kiss as we ran our hands over each others bodies and her using her hands and then bum to rub my rapidly growing cock through my trousers. Soon we were undressing, on with a condom, and she asked to be fucked standing up from behind in front of the mirror. Her pussy was so hot, wet and tight and accompanied by her encouragement and compliments I was in heaven. After a couple of minutes she pushed me onto the bed and climbed on top for some cowgirl. The sight of this goddess fucking me hard and fast had me coming to an explosive climax inside her.

I was then treated to a relaxing massage while we got our breaths back. She was happy to chat - is obviously a very smart girl (training to become an astronaut).

I was told to role over allowing her to give me a hand job to get me hard again. Then on with another condom and some wonderful sex in missionary. Gentle moans and encouragement while

fucking such an impossibly beautiful girl is what this 'hobby' is all about! This ended with me coming over her tits with her smiling happily - and me exhausted and completely satisfied.

I have never really felt the need to write a report before but this was a truly amazing experience and one that will definitely have me coming back for more. After some lukewarm punts I think I have found the Holly Grail!

Many thanks Holly from the guy from the Inbetweeners ;-)
