Voluptuous older lady size 16 + Dee is 58 but still v v attractive. Lovely face, shoulder length blonde hair. Great boobs, magnificent arse. Dee is firm and not flabby in any way.

The Story:

This was a fantastic girl friend experience. We were soon chatting like old friends. Dee is very friendly, intelligent and has had a very interesting life. She made me tea then we went upstairs. There was lots of kissing, oral both ways and sex in various positions. I never felt rushed and Dee was very willing to please. Afterwards we chatted and I was really sad to leave. If young, stick thin girls are your thing, then Dee is not your girl. This was a much more rewarding experience altogether. Looking forward to going back.
