The Lady:

A lovely, exciting person to be with, Natalie certainly lives up to her website billing; and Oh So deliciously so!

The Story:

Had I been more accustomed I would have written this report earlier, but better late than never! and well-deserved by such a lovely person, who it was an absolute pleasure to meet. Intelligent, funny, gorgeous and sexy she is a joy.

I have noticed that previous posters have used the 4-letter "m" word, which label I personally feel undermines her individuality, personality and delightful character.

Natalie, for me, is worth so much more than a "stock label", and of course deserves to be treated with the utmost respect; but again (referring to another "stock" phrase) doesn't anyone that you meet, whether or not in such special circumstances or just in ordinary life?

Would I love to see her again? You bet!
