The Premises:

A very nicely done-out ground floor flat. Easy to find. Did not have to wait or struggle to find the place.

The Lady:

Michelle is in her twenties I guess, has a wonderful pair of breasts with rock-hard nipples! chatty & friendly and quickly put me at my ease.

The Story:

We had a nice chat at my arrival then Michelle invited me to take a shower. 2 minutes later she joined me in the shower and all of a sudden the shower became hotter! back to the massage room I went to lie face down but Michelle told me that her massage starts a bit different.. she started by teasing me a bit and then she gave a very good hand relief. A few minutes later she became massage me and she is pretty good at it, plenty of body to body which I enjoyed a lot mainly because she has amazing breasts and feeling them on my skin was pretty damn hot! I was allowed to touch her which I did a bit, but didn't want to push her limits. Later on she gave me a very good oral, shot my load from this.

I think I will visit her again for a longer session as I would like to have a longer shower with her :)
