Decent hotel, and a big room with a large bathroom.

The Lady:

The photos are on the old side, but if anything she looks better, the curves are softer, her hair thicker, and she's exceedingly pretty.

The Story:

She's a wild one. I'm used to being the punter and having to direct the action, but Gabriella was something else. She knows how to get her kicks, and it was no-holds barred; spitting in each others faces, slapping, fucking on the bed, over the edge, on the chair, against the wall, in front the mirror, deep throat, deep fingering and deep anal. I'm exhausted just remembering it. She's a PSE no doubt about it, and she'd give a lot of PSs a run for their money.
