The Story:

It is my second visit to Veronica. After a shower I went back to the room where Veronica joined me and took off all her clothes in front of me. We started french kissing and, I must admit, I have met in my life very few women who kiss so passionately. I enjoyed licking her beautiful feet and went on licking her wonderful pussy probably for 10 minutes. Veronica seemed to enjoy it a lot, moaned and became very wet. She put a condom on me and we had sex in the missionary position, exchanging deep french kisses. When I felt I could hold it no more I asked Veronica if I could come in her mouth and she accepted. She blew me till the end, always keeping eye contact. We spent the remaining time chatting about her life in England and in another European country in which she has spent a couple of years. Veronica is a not only wonderful girl, but she can also hold a good conversation. I strongly recommend Veronica, as she is gorgeous and gives a passionate GFE. I have already booked my next visit to her and look forward to it.
