The Premises:

Debbie's establishment is most agreeable in terms of both accommodation and hospitality. In the Anerley Hill area, there are entrances at both front and rear. (I'm not sniggering)

The Lady:

Tall curvaceous and very amply norked. Coiffed and made-up to a professional standard. An appealing, personable and very presentable lass. Somewhere in her twenties.

The Story:

Debbie attended to the needs of another gent, during which I had a bit of a wait talking to Amy while she attended to cosmetic matters. A fascinating process.

I opted as usual for the house special. Amy adopted a light-hearted domatrix manner which kept us both laughing. Her attentions in the shower were second to none, and lasted for some time before our return to the room. Oral in both directions plus some 69 ensued. Amy's technique here is to be highly recommended. The podger was in missionary and of a GF style with faux dominatrix interjections. An unusual combination and amusing to us both. I enjoyed a very satisfactory conclusion after which she told me that she had cum too. A nice compliment if ever there was one.

Overall, an unhurried encounter with a lovely girl who is friendly, cheerful and playful. Strongly recommended.
